

# backspin (*bak·spin*) n.

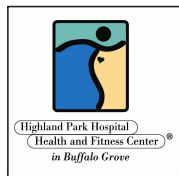

1. the ability to control the rotation of the golf ball to pull it back to the target.
2. a community program designed to generate more revenue back into important, local fundraising efforts.

The BackSpin Program is a unique way for Zone Golf and the Highland Park Hospital Health & Fitness Center in Buffalo Grove to work together with area schools, not-for-profits and charitable organizations to build a co-operative, community-based relationship.

## 2011 Fundraising Support

- Popular and affordable silent auction items
- Easy sign up and super fast processing
- “No-worry” deliverables for your fundraiser
- Interactive golf activities on-site at your event!
